Our mortuary and funeral home is located at 7-9 Leura Street, Camperdown, VIC 3260. This facility is owned and operated by Macqueen's Funerals.

Transportation of the body prior to burial or cremation will be in a suitable vehicle owned by our company or will be provided by an authorised funeral transfer provider.

The body will be kept in our mortuary and will only be transported for the purposes of the funeral ceremony as per the final agreement.

Our preferred crematorium is Ballarat Cemeteries and Crematorium, Doveton St North, Ballarat. Use of other Crematoria will be charged at their costs and the relevant transfer fee applied.

What payment is required before the Funeral

The total amount of the funeral expenses usually includes third-party expenses which we organise for you. Many of these costs are payable prior to or on the day of the funeral such as cemetery and crematoria fees, celebrants, venues, organists, pipers and newspaper notices.

This means we can then organise the various third-party expenses to be paid, plus any initial costs incurred.

We reserve the right to cancel a funeral if payment is not made at least 48 hours before the service.

The person authorising the funeral, who signs our 'Funeral Service Agreement' is responsible for payment of the funeral expenses. An invoice will be issued to facilitate payment.

The payment of funeral expenses is not subject to insurance or WorkCover claims, or settlement of property. If you require interim accounts showing your payments for you to make a claim on the estate, please let us know and we can assist you with the documentation you may need.

These prices are based on funerals held in normal hours, Monday to Friday. Additional fees apply for services, gatherings or viewings requested after hours, on weekends or on public holidays.

Please speak with us if you have any questions regarding this.

Payments can be paid by cash, bank cheque, or bank transfer (Bank details are on our invoice).
